

6th Annual Columbia University/ICOI Dental Implant Symposium *Technology, Trends and Techniques in Implantology*

December 11-12, 2015

Alfred Lerner Hall, 2920 Broadway at West 115th Street, New York City

Friday, December 11

Moderated by Dr. Dennis Tarnow

- 7:30 a.m. Check-in/ Exhibit Booths Open
- 8:15 a.m. Welcome & Introductions
Dr. Kenneth W. M. Judy, Co-chairman, International Congress of Oral Implantologists
Dr. Dennis P. Tarnow, Scientific Chairman; Clinical Professor of Dental Medicine,
Director of Implant Education, College of Dental Medicine

Dr. Christian S. Stohler, Dean, College of Dental Medicine
- 8:30 a.m. *Immediate Implant Reconstruction: 2015 (Same Day Teeth™)*
Dr. Michael Pikos
- 9:20 a.m. *Prosthetic Space Requirements and Logistics Applied to Full Arch, Fixed, Hybrid Implant Prosthesis*
Dr. John Cavallaro
- 10:10 a.m. Coffee Break/Viewing of Exhibit Booths
- 10:40 a.m. *Restoring Severe Alveolar Deficiency with Cortico-cancellous Blocks: Autogenous vs. Allogenic Origin*
Dr. Zvi Artzi
- 11:30 a.m. The Diagnosis, Prevention and Treatment of Inflammatory Perio-Implant Disease
Dr. Paul Fletcher
- 12:20 p.m. Boxed Lunch /Viewing of Exhibit Booths
- 1:30 p.m. *Quantitative Percussion Diagnostics: A New Risk Assessment Tool for Structural Integrity*
Dr. Cheryl Sheets
- 2:20 p.m. *Strategies Using BMPs for Alveolar/Sinus Augmentation*
Dr. Ulf Wikesjö
- 3:10 p.m. Coffee Break /Viewing of Exhibit Booths
- 3:40 p.m. *The Evolution of the Hybrid Restoration: The Impact of Advances in Technology and Materials*
Dr. Will Martin
- 4:20 p.m. Summary and Closing Remarks
- 4:30 p.m. Viewing of Exhibit Booths
- 5:00 p.m. Day 1 concludes

6th Annual Columbia University/ICOI Dental Implant Symposium
Technology, Trends and Techniques in Implantology
