

# EMPOWERING IMPLANT TEAMS

with Comprehensive Technical & Patient Education Worldwide

INTERNATIONAL CONGRESS OF ORAL IMPLANTOLOGISTS  
[WWW.ICOI.ORG](http://WWW.ICOI.ORG) | (888) 449-ICOI

*E-learning is an adjunct to our traditional publications and multiple global symposia. ICOI members are kept up-to-date with current trends, technology and other areas critical to implant dentistry. An exclusive Members Only access to over 1,800 implant dentistry articles, monthly and archived webinars, shared knowledge via clinical updates & "pearls", professional resources that aid practices and enhance education are at your fingertips. Quality online knowledge increases case acceptance and potential patients can locate ICOI members and link to their practices.*

*- Kenneth W.M. Judy, DDS, Co-Chair, Board of Directors, ICOI*

**ICOI'S PRIMARY MISSION HAS ALWAYS BEEN...TEAM EDUCATION  
TO BENEFIT OUR EXISTING PATIENTS AND THE PUBLIC.**

*It is not only important to have extensive training during an early learning curve in implant dentistry, but also on-going and accessible education is extremely critical during an entire career. This is necessary for all members of the implant team (specialists, generalists, assistants, hygienists, dental technicians and... even patients).*

*- Carl E. Misch, DDS, MDS, Co-Chair, Board of Directors, ICOI*

## ENSURING THE GLOBAL ADVANCEMENT OF IMPLANT DENTISTRY WITH OVER 12,000 ICOI MEMBERS IN OVER 102 COUNTRIES

1972

Founded in Paris by innovative leaders to provide the entire implant team with the highest quality practical and scientific education & substantially advance the practice of implant dentistry

1988

Held first consensus conference to benefit the public. Hosted more than seven to date

1990

Founded a society specifically for auxiliary education, Association of Dental Implant Auxiliaries (ADIA)

1993

Founded ICOI's Implant Dentistry Research & Education Foundation, IDREF, to support innovations in the field through sponsorship of research and education programs

1995

Established Implant Prosthetic Section (IPS) for all ICOI members to unite restorative dentists, surgical practitioners, technicians & elevate prosthetic standards, skills, and techniques

2004

Published the first comprehensive guide to implant terminology, *ICOI Glossary of Implant Dentistry*

TO DATE

Hosted more than 165 symposia in 51 countries educating in excess of 81,000 practitioners and their teams

Published and archived online in excess of 1,800 scientific and clinically relevant articles in ICOI's Journal, IMPLANT DENTISTRY, Impact Factor - 1.5. Online publication of accepted papers prior to print, eAlerts, online translated abstracts in 8 languages and mobile view

COMPREHENSIVE  
TRAINING & IMPLANT  
EDUCATION FOR ALL

Easy to learn, advance  
skills and remain on  
cutting edge

Webinars, online resources,  
publications—hard copy,  
online & mobile, national &  
international symposia

PATIENT & PROFESSIONAL  
EDUCATION - [www.dentalimplants.com](http://www.dentalimplants.com)

Features videos, Q & A's,  
valuable link for patients  
to contact your practice

Quality patient  
knowledge increases  
acceptance and value

Professional resources  
to aid practices and  
enhance education

***ICOI's Advanced Credentials Commission has credentialed more than  
8,200 Fellows, Masters and Diplomates worldwide.***

***ADIA has trained over 6,000 Hygienists, Assistants and Office Team Members.***

*The half life of our non core implant educational material is less than 3 years. As a result, it is imperative that implant education be an ongoing journey. The ICOI is the world's largest provider of continuing dental implant education and an excellent venue to advance your skills and help you remain on the cutting edge.*

*- Michael A. Pikos, DDS, Regional President, ICOI*

*Building the implant team is as important as the clinical ability to place and restore implants. Successful implant practices have well educated teams. The ADIA is dedicated to the highest quality team education.*

*- Lynn Mortilla, Executive Director, ADIA  
& Secretary, ICOI Board of Directors*

**PROVEN RESULTS:** ICOI is the world's largest implant organization & the world's largest provider of continuing dental implant education. ICOI makes surgical and prosthetic advancements and techniques easily accessible resulting in increased patient acceptance, more referrals and practice growth. We continue to add member benefits annually.

**ICOI:** An interactive society open to all General Dentists, Oral & Maxillofacial Surgeons, Periodontists, Prosthodontists, Endodontists, Orthodontists, Assistants, Hygienists, Office Management, Laboratory Technicians, Academicians, Students, Industry Personnel and Patients.

**RESTORATIVE PRACTITIONERS:** ICOI is the original and remains the only organization committed to prosthetic implant education. ICOI believes that Implant Dentistry is a prosthetic discipline with a surgical component. We provide the knowledge and resources to enhance your practice goals and aspirations as well as add value for your patients.

**SURGICAL PRACTITIONERS:** ICOI recognizes your need for continuous updates in surgical technology, innovative techniques and their clinical applications. We also provide assistance and communication tools to elevate and increase the success of the team approach.

**LABORATORY TECHNICIANS:** Technicians and dentists are joined together to elevate implant prosthetic standards, skills and techniques. If you are committed to enhancing your knowledge, you will feel at home as an ICOI member united with others by common beliefs.

**AUXILIARY:** ICOI's component society, the Association of Dental Implant Auxiliaries (ADIA), is dedicated to continuing education and certification for all office management and clinical team members. Communication and cooperation between all inter-office and referral team members is paramount.

**PATIENT EDUCATION:** Accurate, quality and online public education translates to increased acceptance, practice growth, and enhanced patient-office communication preventing mis-communication.

Do you now or have you ever worked in a facility associated with dental implants?  Yes  No

If yes, how many years? \_\_\_\_\_ Position \_\_\_\_\_

# MEMBERSHIP APPLICATION (continued from other side)

**ASSOCIATION OF DENTAL IMPLANT AUXILIARIES** is a component society of the International Congress of Oral Implantologists. As the number of dental implant practices in the world grows and develops, there is a need for auxiliaries to do the same. A goal of our association is to introduce education related to implants into your practice or increase your implant practice as a "team." The main purpose of the ADIA is to develop educational criteria and training for certification and to provide an organized vehicle for auxiliaries to contribute to the field of oral implantology/implant dentistry.

**PLEASE LIST OTHER PROFESSIONAL SOCIETIES OF WHICH YOU ARE CURRENTLY A MEMBER. INCLUDE YOUR INVOLVEMENT (E.G. MEMBER, SPEAKER, OFFICER, ETC.):**

Organization \_\_\_\_\_ Offices held \_\_\_\_\_

## ASSOCIATION OF DENTAL IMPLANT AUXILIARIES

*All general practitioners, their practices, teams and patients can benefit tremendously from ICOI's unique prosthetic educational updates, webinars, and meetings. ICOI's education in all areas of implant dentistry is unique and essential to the continued growth of implantology and the delivery of excellent oral care to the public.*

- Dr. Gordon Christensen, ICOI Diplomate

ICOI's Primary Mission to serve the Public has always been achieved by globally educating all implant team members with the highest quality of practical and scientific education...be it prosthetic, surgical, technical or auxiliary education.
